The economic impact of the outbreak has been devastating the Hotel Industry. With the number of cases rising sharply on a daily basis, even if the pandemic is contained soon, the ripple-effects will be felt across the world well into the year, pushing all major economies into a possible recession.

The Travel & Tourism sector across the globe is undoubtedly the biggest casualty of the COVID-19 pandemic. Several countries have issued travel advisories and are in lock down mode, with all major global business, social and sporting events getting cancelled since February, 2020. The biggest collateral damage of worldwide lock downs can now be clearly seen on travel and hospitality industry and India is no exception. Hotel demand has rapidly dropped to virtually zero in a matter of just weeks beginning Mid- March, 2020.

Due to outbreak of Corona Virus epidemic, your company stopped operations w.e.f 23th March, 2020. The Hospitality industries are not allowed to start operations till 18th August, 2020 keeping in mind the guidelines issued by Central Government/ Local Government. Although during the slow down period business in all sectors is affected in general, in particular the Hospitality business has been severely affected and practically there is no business at all. Since then there is no inflow of domestic and foreign tourists and business of the company has affected badly and practically there is no revenue during

this period. The improvement / revival of Hospitality industry is depending on the improvement of other manufacturing and service sectors. Hotels, restaurants and other hospitality services, except those meant for housing health/ police/Government officials/ healthcare workers/ stranded persons including tourists and for quarantine facilities; and running of canteens at bus depots, railway stations and airports. Restaurants shall be permitted to operate kitchens for home delivery of food items.

Since 23rd March, 2020 onwards, our Hotel stopped operation as per the Central/ State Governments directions. Profitability for the Quarter (1st April 2020 to 30th June, 2020) Financial Year 2020-21 of the Company has been severely affected during this period as well as for the period till the operation of the Hotel is allowed to continue and becomes normal. The Hotel operations is allowed to continue w.e.f 19th August, 2020. And it will take another 3 to 4 Months to make the operation of the Hotel normal.

MANAGEMENT DISCUSSIONS AND ANALYSIS

MACROECONOMIC OVERVIEW / GLOBAL ECONOMY

The global economy in Calendar Year ('CY') 2019 has seen one of the slowest growth rates since the 2008 financial crisis. The International Monetary Fund ('IMF') estimates that the global GDP ('Gross Domestic Product') may have registered 2.9% growth in CY 2019, significantly lower than 3.6% in CY 2018, and that there will be a negative growth of 3% in CY 2020. A slowdown had been anticipated early in the financial year, because of the US-China trade relations and the consequent stress on the global manufacturing and trade.

The biggest pandemic was the outbreak of coronavirus in the beginning of CY 2020, which grew from a local problem in China to a global pandemic in a matter of weeks in early CY 2020. Lockdowns in most of the affected countries saved lives but were a huge blow to economic activities and the impact will be felt for a long time to come. To counter the losses and prevent a complete economic breakdown, governments and central banks around the world have unleashed unprecedented amounts of fiscal and monetary support. Nonetheless, warning of a recessionary effect was issued by top analysts.

INDIAN ECONOMY

The Indian economy registered a growth of 4.2% in Financial Year ('FY') 2019-20, much lower than the 6.1% in FY 2018-19 (Source: IMF). Wage stagnation, job losses, rising rural unemployment rates, stressed Non-Banking Financial Companies (NBFCs) and decline in credit growth caused a sharp drop in domestic demand. On the supply side, excess idle production capacity and lower private investments further dragged down economic activity. The Government of India undertook initiatives such as liberalizing sectors to attract foreign direct investments, upfront capital infusion in public sector banks to alleviate liquidity concerns and reducing corporate tax rates to revive private investments.

Following the Covid-19 outbreak, India implemented one of the strictest nationwide lockdowns in the world early on, in order to keep the infection numbers under control. This has resulted in mass unemployment in the lower income segment and staff downsizing across sectors. The restriction on free movement of goods and people disrupted supply chains and nearly wiped out the demand for non-essential goods and services. The Government of India announced Rs.1.7 lakh crore relief package to help India's marginalized population tackle the challenges caused by the Covid-19 pandemic. This included direct cash transfer benefits to more than 8.7 crore Indian farmer families, free food and gas distribution, social and security measures for the organized sector and medical covers for health workers.

The Reserve Bank of India ('RBI') provided a monetary stimulus by slashing the repo rate to 5.15%, a cut of 135 basis points in FY 2019-20, to boost demand and private consumption.

India also witnessed considerable deceleration in economic growth in 2019-20. According to the provisional estimates released by the Central Statistics Office (CSO) on 29th May 2020, growth in India's Gross Domestic Product (GDP) for 2019-20 is estimated at 4.2 per cent, compared to 6.1 per cent in the previous year. This deceleration was driven by a slowdown in industry and services growth, even as agriculture grew from 2.4 per cent in 2018-19 to 4.0 per cent in 2019-20.

Even as there is significant uncertainty around the duration and intensity of the pandemic, and its impact on India's economic performance in 2020-21, there are a few bright spots. Agriculture and allied activities continue to be resilient and a normal south west monsoon is expected in 2020, which augurs well for rural demand. At the same time, inflationary pressures are likely to be in check with collapse in crude prices and softening of food prices, allowing room for further fiscal and monetary policy interventions.

COVID-19 PANDEMIC OUTBREAK - IMPACT ON HOSPITALITY SECTOR

Although during the slow down period business in all sectors is affected in general, in particular the Hospitality business has been severely affected and practically there is no business at all. Since then there is no inflow of domestic and foreign tourists and business of the company has affected badly and practically there is no revenue during this period.

BUSINESS PERFORMANCE / OPPORTUNITIES

2019-20 was much more challenging as compared to the previous year from a macroeconomic standpoint. Not only did economic growth decelerate as the year progressed, social and economic concerns added to the policy uncertainty, dampening sentiment and arresting modest gains towards economic revival over the past few years. From the Hospitality and Service Industry's perspective, even as this affected the broad-based demand, there are opportunities across markets and service based product segments. This focus would be reflected in our performance in the coming years.

INDEPENDENT AUDITOR'S REPORT**To the Members of CHL LIMITED****Report on the audit of the Standalone Financial Statements****Opinion**

We have audited the accompanying Standalone Financial Statements of CHL LIMITED ("the company"), which comprise the Balance Sheet as at 31 March 2020, the Statement of Profit and Loss, including the Statement of other Comprehensive Income, the Cash Flow Statement and the Statement of Changes in Equity for the year then ended, and a summary of significant accounting policies and other explanatory information (hereinafter referred to as "Standalone Financial Statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2020, and profit, changes in equity and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Companies Act, 2013 and the Rules there under, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Emphasis of Matter

We draw your attention to Note No. 41 to the financial statements, which explain the uncertainties and management's assessment of the financial impact due to disruptions arising from COVID-19 pandemic situation. The company has assessed potential impact of COVID-19 on the carrying value of trade receivable, and assets including (Non current and current) appearing in financial statements of the company. In developing assumptions and estimates relating to future uncertainties in the economic conditions because of this pandemic, the company as at the date of approval of these financial statements has used internal and external sources of information and based on current estimates, expects to recover the carrying amounts of these assets. The impact of the pandemic may be different from that estimated as at the date of approval of these financial statements and the company will continue to closely monitor any material changes to future economic condition. Our opinion is not modified in respect of this matter.

The management performed year end physical verification of inventories prior to the year end. We were not able to physically observe the physical stock verification before the year end.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

Management's Responsibility for the Standalone Financial Statements

The Company's Board of Directors is responsible for the matters in section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of the standalone financial statements that give a true and fair view of the financial position, financial performance including other comprehensive income and cash flows and change in equity of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) specified under Section 133 of the Act, read with Companies (Indian Accounting Standards) Rules, 2015, as amended. This responsibility also includes the maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting the frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Standalone Financial Statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the audit of the standalone financial statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion.

The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards. From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

**ANNEXURE- B to the Independent Auditor's Report on the Standalone Financial Statements of CHLLIMITED for the year ended 31st March, 2020****Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")**

We have audited the internal financial controls over financial reporting of C H L Limited ("the Company") as of 31 March 2020 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, to the best of our information and according to the explanations given to us, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31 March 2020, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

**NOTES TO THE FINANCIAL STATEMENTS****1. CORPORATE INFORMATION**

CHL Limited ("the Company") is a public limited company domiciled in India and is listed on Bombay Stock Exchange (BSE). The Company is operating a Five Star Deluxe Hotel since 1982, presently named as "The Suryaa" in New Delhi.

2. BASIS OF PREPARATION

- (a) The financial statements are prepared on a historical cost basis except certain financial assets and liabilities which have been measured at fair value, defined benefit plans and contingent consideration. Historical cost is generally based on the fair value of consideration in exchange of goods and services.
- (b) The preparation of these financial statements in conformity with the recognition and measurement principle of Ind AS requires management to make judgement, estimates and assumption that affect the reported balances of assets and liabilities as at the date of financial statement.
- (c) The financial statements comprise a profit and loss account (income statement), statement of comprehensive income, balance sheet (statement of financial position), statement of changes in equity, statement of cash flows, and notes. Income and expenses, excluding the components of other comprehensive income, are recognised in the profit and loss account. Other comprehensive income is recognised in the statement of comprehensive income and comprises items of income and expense, that are not recognised in the profit and loss account as required or permitted by Ind AS.
- (d) The preparation of financial statements in conformity with Indian Accounting Standards requires the use of estimates and assumptions. It also requires management to exercise its judgement in the process of applying the accounting policies adopted by the company. Although such estimates and assumptions are based on the directors' best knowledge of the information available, actual results may differ from those estimates. The judgements and estimates are reviewed at the end of each reporting period, and any revisions to such estimates are recognised in the year in which the revision is made.

3. SIGNIFICANT ACCOUNTING POLICIES**3.1 PROPERTY, PLANT AND EQUIPMENT**

- (a) All categories of property, plant and equipment are initially recognised at cost. Cost includes expenditure directly attributable to the acquisition of the assets. Computer software, including the operating system, that is an integral part of the related hardware is capitalised as part of the computer equipment. Property, plant and equipment are subsequently carried at cost less accumulated depreciation and accumulated impairment losses if any. When significant parts of property, plant and equipments are required to be replaced at intervals, the company recognises the new part with its own associated useful life and it is depreciated accordingly.
- (b) Subsequent costs are included in the asset's carrying amount or recognised as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the company and the cost of the item can be measured reliably. Repairs and maintenance expenses are charged to the profit and loss account in the year in which they are incurred.
- (c) Cost of asset(s) replaced but still usable is not reduced from the cost of the asset(s) till it is sold / discarded. If the cost of the asset(s), discarded / sold is not ascertainable, cost of replacement of such asset(s), (discounted as per "indexed cost formula" prescribed under Income Tax Act, 1961) is taken as the cost of such asset(s) for the purpose of deduction from the cost.
- (d) Depreciation on tangible assets is provided on straight-line method over the useful life of assets in the manner and at the rate specified in Part C of Schedule II of Companies Act, 2013 from the date the Schedule II came into effect. A residual value of 5% (as prescribed in Schedule II of the Act) of the cost of the asset is used for the purpose of calculating the depreciation charge.

3.2 INTANGIBLE ASSETS

Accounting treatment of intangible assets is in accordance with IND AS-38. Intangible Assets are depreciated on straight line method over the useful life thereof.

3.3 IMPAIRMENT OF NON FINANCIAL ASSETS

The carrying amounts of the asset(s) are reviewed at each balance sheet date to assess whether these were recorded at their recoverable value, and, where carrying amounts exceed the recoverable value, the assets are written down to their recoverable value.

3.4 INVESTMENT IN SUBSIDIARY/JOINT VENTURE

Investment in subsidiary/joint venture is carried out at cost. The cost comprises price paid to acquire investment and directly attributable cost.

3.5 TRANSLATION OF FOREIGN CURRENCIES

- (a) On initial recognition, all transactions are recorded in the functional currency (the currency of the primary economic environment in which the company operates), which is Indian Rupees (INR).
- (b) Transactions in foreign currencies during the year are converted into the functional currency using the exchange rate prevailing at the transaction date. Monetary assets and liabilities at the balance sheet date denominated in foreign currencies are translated into the functional currency using the exchange rate prevailing as at that date. The resulting foreign exchange gains and losses from the settlement of such transactions and from year-end translation are recognised on a net basis in other items of comprehensive income or the profit and loss account respectively in the year in which they arise.

41. Impact of COVID-19 on Business Operations

The World Health Organization declared the COVID-19 outbreak as a pandemic on 11th March 2020, leading to series of measures by countries across the world to contain the spread of the virus. India responded by imposing a nationwide lockdown on 24th March 2020. The process of lifting of lockdown in various states has since started in phases, effective 1st June, 2020, guided by the decision of individual states. During a major part of this period, hotel and flight operations were mandated to remain nonoperational, which affected business at our hotels and other operations across India. Similar restrictions in other countries affected business at our hotels from various international markets. The Management's priority in dealing with the exceptional challenges posed by COVID-19 has been to ensure the safety of its guests and employees, support suppliers, keep the supply chain operational for essential supplies. The consequence of the COVID-19 outbreak on the Company's business for the financial year ended 31st March, 2020 is limited, as business was impacted only in the last week of March 2020. Several cost rationalisation measures have been initiated subsequent to the year end and are being monitored. The Management foresee stress on liquidity, as it has applied for short term loan from existing banks, which is under their consideration. In the meantime to meet statutory payments, the company has taken some borrowing from NBFC Companies. In developing the assumptions relating to the possible future uncertainties in the global economic conditions because of this pandemic, the Management has considered the impact from a prolonged

lockdown situation; travel restrictions being continued to be imposed by India and other countries even after lifting of the lockdown, guests postponing their discretionary spending, continued restrictions on the number of domestic and international flights, internal and external information available up to the date of approval of these financial statements including credit reports and economic forecasts. The Management has also assessed the potential impact of COVID-19 on the carrying value of property, plant & equipment, right of use assets, intangible assets, investment property, investments, trade receivables, inventories, and other current assets appearing in the financial statements of the Company as on 31st March, 2020 and has performed sensitivity analysis on the assumptions used and based on current indicators of future economic conditions, expects to recover the carrying amounts of these assets. The impact of COVID-19 may be different from that estimated on the date of approval of these financial statements and the Management will continue to closely monitor any material changes to future economic conditions and taking suitable steps to remain in market.

42. Segment Reporting:

The Company operates only in one reportable segment, i.e. Hospitality/Hotel Business.

43. Previous year's figures have been regrouped and rearranged wherever necessary to make it comparable with the Current Years figures. All figures have been rounded off to nearest lac rupee.

**INDEPENDENT AUDITOR'S REPORT****To the Members of CHL LIMITED****Report on the audit of the Consolidated Financial Statements****Opinion**

We have audited the accompanying Consolidated Financial Statements of CHL LIMITED ("the company"), which comprise the consolidated Balance Sheet as at 31 March 2020, the consolidated Statement of Profit and Loss, including the Statement of other Comprehensive Income, the consolidated Cash Flow Statement and the consolidated Statement of Changes in Equity for the year then ended, and a summary of significant accounting policies and other explanatory information (hereinafter referred to as "Consolidated Financial Statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid Consolidated financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of their consolidated state of affairs of the Company as at March 31, 2020, and the consolidated loss, consolidated changes in equity and its consolidated cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Consolidated Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the consolidated financial statements under the provisions of the Companies Act, 2013 and the Rules there under, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Emphasis of Matter

We draw your attention to Note No. 41 to the financial statements, which explain the uncertainties and management's assessment of the financial impact due to disruptions arising from COVID-19 pandemic situation. The company has assessed potential impact of COVID-19 on the carrying value of trade receivable, and assets including (Non current and current) appearing in financial statements of the company. In developing assumptions and estimates relating to future uncertainties in the economic conditions because of this pandemic, the company as at the date of approval of these financial statements has used internal and external sources of information and based on current estimates, expects to recover the carrying amounts of these assets. The impact of the pandemic may be different from that estimated as at the date of approval of these financial statements and the company will continue to closely monitor any material changes to future economic condition. Our opinion is not modified in respect of this matter.

The management performed year end physical verification of inventories prior to the year end. We were not able to physically observe the physical stock verification before the year end.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the consolidated financial statements of the current period. These matters were addressed in the context of our audit of the consolidated financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

Management's Responsibility for the Consolidated Financial Statements

The Holding Company's Board of Directors is responsible for the matters in section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these Consolidated financial statements that give a true and fair view of the financial position, financial performance including other comprehensive income and cash flows and change in equity of the Company in accordance with the accounting principles generally accepted in India, including the India Accounting Standards (Ind AS) specified under Section 133 of the Act, read with Companies (Indian Accounting Standards) Rules, 2015, as amended. This responsibility also includes the maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting the frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Consolidated Financial Statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the consolidated financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The boards of directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the audit of the Consolidated Financial Statements

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the consolidated financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the consolidated financial statements, including the disclosures, and whether the consolidated financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance of the Holding Company and such other entities included in the consolidated financial statements of which we are the independent auditors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the consolidated financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Other Matters

We did not audit the financial statements of a subsidiary whose financial statements as on March 31, 2020 reflect total assets of Rs. 39,428.34 Lac and total deficit of Rs. 3,038.54 Lac for the year ended on that date. These financial statements and other financial information have been audited by other auditor whose report has been furnished to us and our opinion is based solely on the report of the other auditor.

Our opinion is not modified in respect of these matters.

Report on other Legal and Regulatory Requirements

As required by section 143(3) of the Act, we report that:

- (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
- (b) In our opinion proper books of account as required by law have been kept by the Company so far as appears from our examination of those books
- (c) The Consolidated Balance Sheet and the Consolidated Statement of Profit and Loss (including other comprehensive income), the Consolidated Cash Flow Statement and the Consolidated Statement of Changes in Equity dealt with by this Report are in agreement with the books of account.

- (f) With respect to the other matters included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to our best of our information and according to the explanations given to us:

NOTES TO THE FINANCIAL STATEMENTS

1. CORPORATE INFORMATION

CHL Limited ("the Company") is a public limited company domiciled in India and is listed on Bombay Stock Exchange (BSE). The Company is operating a Five Star Deluxe Hotel since 1982, presently named as "The Suryaa" in New Delhi.

2. BASIS OF PREPARATION

- The financial statements are prepared on a historical cost basis except certain financial assets and liabilities which have been measured at fair value, defined benefit plans and contingent consideration. Historical cost is generally based on the fair value of consideration in exchange of goods and services.
- The preparation of these financial statements in conformity with the recognition and measurement principle of Ind AS requires management to make judgement, estimates and assumption that affect the reported balances of assets and liabilities as at the date of financial statement.
- The financial statements comprise a profit and loss account (income statement), statement of comprehensive income, balance sheet (statement of financial position), statement of changes in equity, statement of cash flows, and notes. Income and expenses, excluding the components of other comprehensive income, are recognised in the profit and loss account. Other comprehensive income is recognised in the statement of comprehensive income and comprises items of income and expense, that are not recognised in the profit and loss account as required or permitted by Ind AS.
- The preparation of financial statements in conformity with Indian Accounting Standards requires the use of estimates and assumptions. It also requires management to exercise its judgement in the process of applying the accounting policies adopted by the company. Although such estimates and assumptions are based on the directors' best knowledge of the information available, actual results may differ from those estimates. The judgements and estimates are reviewed at the end of each reporting period, and any revisions to such estimates are recognised in the year in which the revision is made.

3. SIGNIFICANT ACCOUNTING POLICIES

3.1 PROPERTY, PLANT AND EQUIPMENT

- All categories of property, plant and equipment are initially recognised at cost. Cost includes expenditure directly attributable to the acquisition of the assets. Computer software, including the operating system, that is an integral part of the related hardware is capitalised as part of the computer equipment. Property, plant and equipment are subsequently carried at cost less accumulated depreciation and accumulated impairment losses if any. When significant parts of property, plant and equipments are required to be replaced at intervals, the company recognises the new part with its own associated useful life and it is depreciated accordingly.
- Subsequent costs are included in the asset's carrying amount or recognised as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the company and the cost of the item can be measured reliably. Repairs and maintenance expenses are charged to the profit and loss account in the year in which they are incurred.
- Cost of asset(s) replaced but still usable is not reduced from the cost of the asset(s) till it is sold / discarded. If the cost of the asset(s), discarded / sold is not ascertainable, cost of replacement of such asset(s), (discounted as per "indexed cost formula" prescribed under Income Tax Act, 1961) is taken as the cost of such asset(s) for the purpose of deduction from the cost.
- Depreciation on tangible assets is provided on straight-line method over the useful life of assets in the manner and at the rate specified in Part C of Schedule II of Companies Act, 2013 from the date the Schedule II came into effect. A residual value of 5% (as prescribed in Schedule II of the Act) of the cost of the asset is used for the purpose of calculating the depreciation charge.

3.2 INTANGIBLE ASSETS

Accounting treatment of intangible assets is in accordance with IND AS-38. Intangible Assets are depreciated on straight line method over the useful life thereof.

3.3 IMPAIRMENT OF NON FINANCIAL ASSETS

The carrying amounts of the asset(s) are reviewed at each balance sheet date to assess whether these were recorded at their recoverable value, and, where carrying amounts exceed the recoverable value, the assets are written down to their recoverable value.

3.4 INVESTMENT IN SUBSIDIARY, JOINT VENTURE

Investment in subsidiary/joint venture is carried out at cost. The cost comprises price paid to acquire investment and directly attributable cost.

3.5 TRANSLATION OF FOREIGN CURRENCIES

- On initial recognition, all transactions are recorded in the functional currency (the currency of the primary economic environment in which the company operates), which is Indian Rupees (INR).
- Transactions in foreign currencies during the year are converted into the functional currency using the exchange rate prevailing at the transaction date. Monetary assets and liabilities at the balance sheet date denominated in foreign currencies are translated into the functional currency using the exchange rate prevailing as at that date. 41. Impact of COVID-19 on Business Operations

The World Health Organization declared the COVID-19 outbreak as a pandemic on 11th March 2020, leading to series of measures by countries across the world to contain the spread of the virus. India responded by imposing a nationwide lockdown on 24th March 2020. The process of lifting of lockdown in various states has since started in phases, effective 1st June, 2020, guided by the decision of individual states. During a major part of this period, hotel and flight operations were mandated to remain nonoperational, which affected business at our hotels and other operations across India. Similar restrictions in other countries affected business at our hotels from various international markets.

The Management's priority in dealing with the exceptional challenges posed by COVID-19 has been to ensure the safety of its guests and employees, support suppliers, keep the supply chain operational for essential supplies. The consequence of the COVID-19 outbreak on the Company's business for the financial year ended 31st March, 2020 is limited, as business was impacted only in the last week of March 2020. Several cost rationalisation measures have been initiated subsequent to the year end and are being monitored. The Management foresee stress on liquidity, as it has applied for short term loan from existing banks, which is under their consideration. In the meantime to meet statutory payments, the company has taken some borrowing from NBFC Companies. In developing the assumptions relating to the possible future uncertainties in the global economic conditions because of this pandemic, the Management has considered the impact from a prolonged lock-down situation; travel restrictions being continued to be imposed by India and other countries even after lifting of the lockdown, guests postponing their discretionary spending, continued restrictions on the number of domestic and international flights, internal and external information available up to the date of approval of these financial statements including credit reports and economic forecasts. The Management has also assessed the potential impact of COVID-19 on the carrying value of property, plant & equipment, right of use assets, intangible assets, investment property, investments, trade receivables, inventories, and other current assets appearing in the financial statements of the Company as on 31st March, 2020 and has performed sensitivity analysis on the assumptions used and based on current indicators of future economic conditions, expects to recover the carrying amounts of these assets. The impact of COVID-19 may be different from that estimated on the date of approval of these financial statements and the Management will continue to closely monitor any material changes to future economic conditions and taking suitable steps to remain in market.
