4. Hospitality Sector performance

India holds enormous potential in expanding tourism, with India ranked at the 39th position in the World Economic Forum's Travel and Tourism Development Index (TTDI) 2024. Showing positive signs of revival post-pandemic, the industry witnessed over 92 lakh foreign tourist arrivals in 2023, implying a YoY increase of 43.5 per cent. India has significantly earned foreign exchange receipts amounting to over ₹2.3 lakh crore through tourism, indicating a 65.7 per cent YoY increase. India's share of foreign exchange earnings in world tourism receipts increased from 1.38 per cent in 2021 to 1.58 per cent in 2022. Under the 'Pilgrimage Rejuvenation and Spiritual Augmentation Drive' (PRASHAD) scheme, 29 new sites have been identified for tourism infrastructure development, and 12 have been inaugurated. Swadesh Darshan 2.0, focusing on integrated tourism destination development, targets 55 destinations across 32 states and Union Territories. India chaired the Shanghai Cooperation Organisation (SCO) Tourism Expert Working Group, in 2023. The Government has implemented various measures to support the tourism industry, including policy reforms and infrastructure development.

The hospitality industry has risen to meet the increasing number of tourists' needs and to elevate the overall guest experience. Hoteliers are increasingly leveraging technology to personalise guest experiences and improve operational efficiencies. Hotels are also adopting innovative operational strategies, such as leasing or managing external restaurant, spa, and lounge brands, to capitalise on established concepts that attract hotel residents, thereby boosting revenue. In FY24, the average daily rate increased from ₹6704 to ₹7616, marking a YoY growth of 13.6 per cent.

The tourism sector has embraced the digital revolution. One such initiative is E-Marketplace, designed to facilitate interactions between tourists and certified tourist facilitators and guides through web and mobile applications. The Union Government, in collaboration with State Governments and Union Territory administrations, is actively working on registering accommodation units nationwide in the National Integrated Database of Hospitality Industry (NIDHI) portal. This database will aid in formulating effective policies and strategies for promoting tourism. Another noteworthy initiative is SAATHI (System for Assessment, Awareness and Training for Hospitality Industry), which aims for awareness and training in hospitality sector.

India's travel and tourism (T&T) sector has been influenced by global inflationary pressures and delays in the recovery of T&T capacity, similar to other economies. However, the decline in price competitiveness since 2021 has been minimal compared to its peers, with only a 0.7 per cent drop. India's decline is particularly slight at just 0.1 per cent from 2021 levels, which reflects the Government's consistent efforts to maintain stability despite the slowdown. WEF's TTDI 2024 report emphasizes the need for improvements in tourist services and infrastructure, and the development of a skilled workforce. In a challenging environment for employment generation in services due to the rise of AI and manufacturing due to rising protectionism, transportation costs and supply concerns, the tourism sector represents a relatively low-hanging fruit for job creation. India has to seize the opportunity. To formalize employment within this sector, the Ministry of Tourism has initiated the Incredible India Tourism Facilitator Certificate Programme. This program aims to create a skilled cadre of tourist facilitators nationwide through a digital platform that offers online learning opportunities and certification courses(Economic Survey 2023-24).

MANAGEMENT DISCUSSIONS AND ANALYSIS

MACROECONOMIC OVERVIEW / GLOBAL ECONOMY

Global growth is projected to be in line with the April 2024 World Economic Outlook (WEO) forecast, at 3.2 percent in 2024 and 3.3 percent in 2025.

The global economy is continuing growing at a modest pace, according to the OECD's latest Economic Outlook. The Economic Outlook projects steady global GDP growth of 3.1% in 2024, the same as the 3.1% in 2023, followed by a slight pick-up to 3.2% in 2025.

Global headline inflation fell from 8.1% in 2022 to an estimated 5.7% in 2023 and is projected to decline to 3.9% in 2024. The decline in inflation was attributed to ongoing moderation in international commodity prices and a decrease in demand due to monetary tightening by the UN.

Indian Economy

India's economy is forecast to expand by 6.9% in 2024 and 6.6% in 2025, mainly driven by strong public investment and resilient private consumption. South Asia grew by an estimated 5.3% in 2023 and is projected to increase by 5.2% in 2024, driven by a robust expansion in India, which remains the fastest-growing large economy in the world. India is projected to grow by 6.2% in 2024, supported by domestic demand and growth in manufacturing and services (The World Economic Situation and Prospects report - United Nations Economic Analysis and Policy Division).

South Asia's economic outlook is expected to remain strong, supported by a robust performance of India's economy.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditor’s Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Companies Act, 2013, and the Rules there under, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Emphasis of Matter

We draw attention to note no. 26 to the accompanying Statement, the loan from EXIM Bank availed by CHL International, a subsidiary of the company, for which the company is a guarantor, is a matter of litigation and cases have been filed by the EXIM Bank against the company which are currently pending adjudication in Hon’ble Supreme Court of India and Debt Recovery Tribunal, Delhi.

Beside above, EXIM Bank’s Civil Appeal bearing No. 1671 of 2019 is pending before Hon’ble Supreme Court of India, challenging the judgement dated 16.01.2019 passed by the National Company Law Appellate Tribunal (NCLAT), New Delhi, upholding the decision of Hon’ble NCLT, Delhi, of dismissing the petition u/s 7 of IBC, 2016, of the EXIM Bank.

Our opinion is not modified in respect of above matter.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters

Information other than the Financial Statements and Auditor’s Report thereon

The Company’s Board of Directors are responsible for the other information. The other information comprises the information included in the Annual Report, but does not include the standalone financial statements and our auditor’s report thereon.

Our opinion on the standalone financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the standalone financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the standalone financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Management’s Responsibility for the Standalone Financial Statements

The Company’s Board of Directors is responsible for the matters in section 134(5) of the Companies Act, 2013 (“the Act”) with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance including other comprehensive income and cash flows and change in equity of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) specified under Section 133 of the Act, read with Companies (Indian Accounting Standards) Rules, 2015, as amended. This responsibility also includes the maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting the frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Standalone Financial Statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company’s ability to continue as a going concern, disclosing,

as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The boards of directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the audit of the standalone financial statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards. From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

ANNEXURE- B to the Independent Auditor's Report on the Standalone Financial Statements of CHL LIMITED for the year ended 31st March, 2024**Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")**

We have audited the internal financial controls over financial reporting of C H L Limited ("the Company") as of 31 March 2024 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls Over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, to the best of our information and according to the explanations given to us, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31 March 2024, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

NOTES TO THE FINANCIAL STATEMENTS - STANDALONE

1. CORPORATE INFORMATION

CHL Limited ("the Company") is a public limited company domiciled in India and is listed on Bombay Stock Exchange (BSE). The Company is operating a Five Star Deluxe Hotel since 1982, presently named as "Hotel The Suryaa" in New Delhi.

2. BASIS OF PREPARATION

- a) The financial statements are prepared on a historical cost basis except certain financial assets and liabilities which have been measured at fair value, defined benefit plans and contingent consideration. Historical cost is generally based on the fair value of consideration in exchange of goods and services.
- b) The preparation of these financial statements in conformity with the recognition and measurement principle of Ind AS requires management to make judgement, estimates and assumption that affect the reported balances of assets and liabilities as at the date of financial statement.
- c) The financial statements comprise a profit and loss account (income statement), statement of comprehensive income, balance sheet (statement of financial position), statement of changes in equity, statement of cash flows, and notes. Income and expenses, excluding the components of other comprehensive income, are recognised in the profit and loss account. Other comprehensive income is recognised in the statement of comprehensive income and comprises items of income and expense, that are not recognised in the profit and loss account as required or permitted by Ind AS.
- d) The preparation of financial statements in conformity with Indian Accounting Standards requires the use of estimates and assumptions. It also requires management to exercise its judgement in the process of applying the accounting policies adopted by the company. Although such estimates and assumptions are based on the company's best knowledge of the information available, actual results may differ from those estimates. The judgements and estimates are reviewed at the end of each reporting period, and any revisions to such estimates are recognised in the year in which the revision is made.

3. SIGNIFICANT ACCOUNTING POLICIES

3.1 PROPERTY, PLANT AND EQUIPMENT

- a) All categories of property, plant and equipment are initially recognised at cost. Cost includes expenditure directly attributable to the acquisition of the assets. Computer software, including the operating system, that is an integral part of the related hardware is capitalised as part of the computer equipment. Property, plant and equipment are subsequently carried at cost less accumulated depreciation and accumulated impairment losses if any. When significant parts of property, plant and equipments are required to be replaced at intervals, the company recognises the new part with its own associated useful life and it is depreciated accordingly.
- b) Subsequent costs are included in the asset's carrying amount or recognised as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the company and the cost of the item can be measured reliably. Repairs and maintenance expenses are charged to the profit and loss account in the year in which they are incurred.
- c) Cost of asset(s) replaced but still usable is not reduced from the cost of the asset(s) till it is sold / discarded. If the cost of the asset(s), discarded / sold is not ascertainable, cost of replacement of such asset(s), (discounted as per "indexed cost formula" prescribed under Income Tax Act, 1961) is taken as the cost of such asset(s) for the purpose of deduction from the cost.
- d) Depreciation on tangible assets is provided on straight-line method over the useful life of assets in the manner and at the rate specified in Part C of Schedule II of Companies Act, 2013 from the date the Schedule II came into effect. A residual value of 5% (as prescribed in Schedule II of the Act) of the cost of the asset is used for the purpose of calculating the depreciation charge.

3.2 INTANGIBLE ASSETS

Accounting treatment of intangible assets is in accordance with IND AS-38. Intangible Assets are depreciated on straight line method over the useful life thereof.

3.3 IMPAIRMENT OF NON FINANCIAL ASSETS

The carrying amounts of the asset(s) are reviewed at each balance sheet date to assess whether these were recorded at their recoverable value, and, where carrying amounts exceed the recoverable value, the assets are written down to their recoverable value.

3.4 INVESTMENT IN SUBSIDIARY, ASSOCIATES

Investment in subsidiary/associates is carried out at cost as per the Ind AS 27. The cost comprises price paid to acquire investment and directly attributable cost.

3.5 TRANSLATION OF FOREIGN CURRENCIES

- a) On initial recognition, all transactions are recorded in the functional currency (the currency of the primary economic environment in which the company operates), which is Indian Rupees (INR).
- b) Transactions in foreign currencies during the year are converted into the functional currency using the exchange rate prevailing at the transaction date. Monetary assets and liabilities at the balance sheet date denominated in foreign currencies are translated into the functional currency using the exchange rate prevailing as at that date. The resulting foreign exchange gains and losses from the settlement of such transactions and from year-end translation are recognised on a net basis in other items of comprehensive income or the profit and loss account respectively in the year in which they arise.

3.6 FINANCIAL INSTRUMENTS

I) Financial Assets

i) Initial recognition and measurement

The Company recognizes financial assets and financial liabilities when it becomes a party to the contractual provisions of the instrument. All financial assets and liabilities are recognized at fair value on initial recognition, except for trade receivables which are initially measured at transaction price. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities, which are not at fair value through profit or loss, are added to the fair value on initial recognition. Regular way purchase and sale of financial assets are accounted for at trade date.

ii) Subsequent measurement

Subsequent measurement of debt instruments depends on the Group's business model for managing the assets and the cash flow characteristics of the asset.

3.7 ASSETS ON LEASE

Accounting treatment of assets taken on lease is in accordance with Ind AS – 17.

3.8 INVENTORIES

Inventories are valued at lower of cost and estimated net realizable value after providing cost of obsolescence and other anticipated loss wherever considered necessary, if material. Cost is determined by using first in first out (FIFO) basis.

Linen, Glassware etc.: Items issued to rooms and outlets are treated as replacement of old/worn items and charged to profit and loss account and items in use at the close of the year are included in inventories.

A qualifying assets is an asset that necessarily requires a substantial period of time to get ready for its intended use or sale. All other Borrowing cost are recognized as an expense in the period in which they are incurred.

3.10 RISK MANAGEMENT OBJECTIVE AND POLICIES

- iii. Discarded assets (carpets etc.) are charged to the profit & loss account at written down value. Amount realized, if any, on sale of such items is treated as income. Scrap value is recognized, if material.
- iv. For all debt instruments measured at amortised cost or at fair market value through Other Comprehensive Income(OCI) and profit and loss account.

The company has classified various benefits to employees under "Defined Contribution Plan, and Defined Benefit Plan".

- a) The Company recognizes contribution payable to the provident fund scheme as an expense, when an employee renders the related service. Contributions payable by the company to the concern Government Authorities in respect to Provident Fund, Family Pension Fund and Employees State Insurance are charged to the Profit and Loss Account on accrual basis.

ii. Defined Benefit Plan

- a) Gratuity liability as on the Balance Sheet date is determined on the basis of actuarial valuation using projected unit credit method (Ind AS 19). The gratuity liability amount is contributed to income tax approved insurance company with whom the Company is maintaining gratuity fund account.

Short term compensated absences are recognized as expense, at the undiscounted amount, in Profit and Loss Account of the year in which they are incurred.

Long term compensated absences are provided for based on the actuarial valuation as per projected unit credit method, as at the Balance Sheet date.

Actuarial gains and losses are immediately taken to other comprehensive income as income or expenses without resorting to any amortization.

3.13 CONTINGENCY AND PROVISION

Contingent liabilities are recognized only when there is a possible obligation that arises from past events and the existence of which will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the enterprise; or a present obligation that arises from past events but is not recognized because it is not probable that an outflow of resources embodying economic benefits will be required to settle the obligation or a reliable estimate of the amount of obligation cannot be made.

The Company creates a provision when there is present obligation as result of a past event that probably requires an outflow of resources and a reliable estimate can be made of the amount of the obligation.

3.14 TAXATION

Provision for current taxation is made in accordance with the applicable taxation laws.

Deferred tax is recognized on timing differences between the accounting income and the taxable income for the year and quantified using the tax rates and laws enacted or substantively enacted as on the Balance Sheet date.

To the Members of C H L LIMITED**Report on the audit of the Consolidated Financial Statements****Opinion**

We have audited the accompanying Consolidated Financial Statements of C H L LIMITED (“the company”), which comprise the consolidated Balance Sheet as at 31 March 2024, the consolidated Statement of Profit and Loss, including the Statement of other Comprehensive Income, the consolidated Cash Flow Statement and the consolidated Statement of Changes in Equity for the year then ended, and a summary of significant accounting policies and other explanatory information (hereinafter referred to as “Consolidated Financial Statements”).

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid Consolidated financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India including Indian Accounting Standards (Ind AS) specified under section 133 of the Act, of their consolidated state of affairs of the Company as at March 31, 2024, and the consolidated loss, consolidated changes in equity and its consolidated cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditor’s Responsibilities for the Audit of the Consolidated Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the consolidated financial statements under the provisions of the Companies Act, 2013 and the Rules there under, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Emphasis of Matter

We draw attention to note no. 26 to the accompanying Statement, the loan from EXIM Bank availed by CHL International, a subsidiary of the company, for which the company is a guarantor, is a matter of litigation and cases have been filed by the EXIM Bank against the company which are currently pending adjudication in Hon’ble Supreme Court of India and Debt Recovery Tribunal, Delhi.

However, the EXIM Bank, the Principle Borrower and the Guarantors have entered into One Time Settlement for an amount of Rs 34 million vide Exim Bank Approval letter dated 23.11.2023 and vide judgement dated 12.12.2023 in Case No. 52/2023, the Economic Court of Dushanbe has crystalized the liability against the borrowers/ guarantors to USD 34 Million.

The EXIM Bank on the basis of above One Time Settlement, has also filed separate applications in the Pending Original Applications being Transfer Application No. 221 of 2022 titled as EXIM Bank vs Dr. Lalit Kumar Malhotra and Transfer Application No. 224 of 2022 titled as EXIM Bank vs CHL Limited before Debt Recovery Tribunal-III, filed against the Personal and Corporate Guarantors and respectively, thereby bringing on record that settlement is under implementation.

Beside above, EXIM Bank’s Civil Appeal bearing No. 1671 of 2019 is pending before Hon’ble Supreme Court of India, challenging the judgement dated 16.01.2019 passed by the National Company Law Appellate Tribunal (NCLAT), New Delhi, upholding the decision of Hon’ble NCLT, Delhi, of dismissing the petition u/s 7 of IBC, 2016, of the EXIM Bank.

Our opinion is not modified in respect of above matter.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the consolidated financial statements of the current period. These matters were addressed in the context of our audit of the consolidated financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

Information other than the Financial Statements and Auditor’s Report thereon

The Company’s Board of Directors are responsible for the other information. The other information comprises the information included in the Annual Report, but does not include the standalone financial statements and our auditor’s report thereon.

Our opinion on the standalone financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the standalone financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the standalone financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Management’s Responsibility for the Consolidated Financial Statements

The Holding Company’s Board of Directors is responsible for the matters in section 134(5) of the Companies Act, 2013 (“the Act”) with respect to the preparation of these Consolidated financial statements that give a true and fair view of the financial position, financial performance including other comprehensive income and cash flows and change in equity of the Company in accordance with the accounting principles generally accepted in India, including the India Accounting Standards (Ind AS) specified under Section 133 of the Act, read with Companies (Indian Accounting Standards) Rules, 2015, as amended. This responsibility also includes the maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting the frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Consolidated Financial Statements that give

a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the consolidated financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using

the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The boards of directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the audit of the Consolidated Financial Statements

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the consolidated financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the consolidated financial statements, including the disclosures, and whether the consolidated financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance of the Holding Company and such other entities included in the consolidated financial statements of which we are the independent auditors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the consolidated financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Other Matters

We did not audit the financial statements of a subsidiary whose financial statements as on March 31, 2024 reflect total assets of Rs. 23200.10 Lac and total deficit of Rs. 1485.37 Lac for the year ended on that date. These financial statements and other financial information have been audited by other auditor whose report has been furnished to us and our opinion is based solely on the report of the other auditor.

Our opinion is not modified in respect of these matters.

Further, the subsidiary is located outside India whose financial statements and other financial information have been prepared in accordance with Ind AS and which have been audited by other auditors. Our opinion on the consolidated financial statements, in so far as it relates to the balances and affairs of such subsidiary located outside India, is based on the report of other auditors and the conversion adjustments prepared by the management of the Holding Company and audited by us.

Report on other Legal and Regulatory Requirements

As required by clause (xxi) of paragraph 3 of Companies (Auditor's Report) Order, 2020 ('the Order') issued by the Central Government of India in terms of section 143(11) of the Act, there is nothing to report as CARO 2020, is not applicable to the subsidiary company being a foreign company.

 - ii. The Company did not have any long-term contracts including derivatives contracts for which there were any material foreseeable losses;
 - iii. No dividend was declared for the Financial Year 2014-2015 onwards and hence, transfer of unpaid and unclaimed dividend to the Investors Education and Protection Fund (IEPF) does not arise at all during the year under review.
 - iv. a. The management has represented that, to the best of its knowledge and belief, no funds have been advanced or loaned or invested (either from borrowed funds or securities premium or any other sources or kind of funds) by the Company to or in any person or entity, including foreign entities ('the intermediaries'), with the understanding, whether recorded in writing or otherwise, that the intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company ('the Ultimate Beneficiaries') or provide any guarantee, security or the like on behalf the Ultimate Beneficiaries;

Further, during the course of our audit, we did not come across any instance of audit trail feature being tampered with.

Annexure A to the Independent Auditor's Report on the internal financial controls with reference to consolidated financial statements under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ('the Act')

In conjunction with our audit of the consolidated financial statements of CHL Limited ('the Holding Company') and its subsidiaries (the Holding Company and its subsidiaries together referred to as 'the Group'), as at and for the year ended 31 March 2024, we have audited the internal financial controls with reference to financial statements of the Holding Company and its subsidiary companies which are companies covered under the Act, as at that date.

Responsibilities of Management and Those Charged with Governance for Internal Financial Controls

The respective Board of Directors of the Holding Company and its subsidiary companies, which are companies covered under the Act, are responsible for establishing and maintaining internal financial controls based on the internal financial controls with reference to financial statements criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of the Company's business, including adherence to the Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditor's Responsibility for the Audit of the Internal Financial Controls with Reference to Financial Statements

Our responsibility is to express an opinion on the internal financial controls with reference to financial statements of the Holding Company and its subsidiary companies as aforesaid, based on our audit. We conducted our audit in accordance with the Standards on Auditing issued by the Institute of Chartered Accountants of India ('ICAI') prescribed under Section 143(10) of the Act, to the extent applicable to an audit of internal financial controls with reference to financial statements, and the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting ('the Guidance Note') issued by the ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to financial statements were established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls with reference to financial statements and their operating effectiveness. Our audit of internal financial controls with reference to financial statements includes obtaining an understanding of such internal financial controls, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained and the audit evidence obtained by the other auditors in terms of their reports referred to in the Other Matter paragraph below, is sufficient and appropriate to provide a basis for our audit opinion on the internal financial controls with reference to financial statements of the Holding Company and its subsidiary companies as aforesaid.

Meaning of Internal Financial Controls with Reference to Financial Statements

A company's internal financial controls with reference to financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial controls with reference to financial statements include those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls with Reference to Financial Statements

Because of the inherent limitations of internal financial controls with reference to financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to financial statements to future periods are subject to the risk that the internal financial controls with reference to financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

These financial statements and other financial information have been audited by other auditor whose report has been furnished to us and our opinion is based solely on the report of the other auditor.

NOTES TO THE FINANCIAL STATEMENTS - CONSOLIDATED

1. CORPORATE INFORMATION

CHL Limited ("the Company") is a public limited company domiciled in India and is listed on Bombay Stock Exchange (BSE). The Company is operating a Five Star Deluxe Hotel since 1982, presently named as "Hotel The Suryaa" in New Delhi. The Company has one Foreign Subsidiary Company in the name of CJSC CHL International, registered in Tajikistan and the Subsidiary Company is operating a Five Star Hotel, presently named as "The Hilton Hotel" in Dushanbe, Tajikistan. These financial statements are results of the Consolidation of CHL Limited and its Subsidiary CHL International.

2. BASIS OF PREPARATION

- a) The financial statements are prepared on a historical cost basis except certain financial assets and liabilities which have been measured at fair value, defined benefit plans and contingent consideration. Historical cost is generally based on the fair value of consideration in exchange of goods and services.
- b) The preparation of these financial statements in conformity with the recognition and measurement principle of Ind AS requires management to make judgement, estimates and assumption that affect the reported balances of assets and liabilities as at the date of financial statement.
- c) The financial statements comprise a profit and loss account (income statement), statement of comprehensive income, balance sheet (statement of financial position), statement of changes in equity, statement of cash flows, and notes. Income and expenses, excluding the components of other comprehensive income, are recognised in the profit and loss account. Other comprehensive income is recognised in the statement of comprehensive income and comprises items of income and expense, that are not recognised in the profit and loss account as required or permitted by Ind AS.
- d) The preparation of financial statements in conformity with Indian Accounting Standards requires the use of estimates and assumptions. It also requires management to exercise its judgement in the process of applying the accounting policies adopted by the company. Although such estimates and assumptions are based on the company's best knowledge of the information available, actual results may differ from those estimates. The judgements and estimates are reviewed at the end of each reporting period, and any revisions to such estimates are recognised in the year in which the revision is made.

3. SIGNIFICANT ACCOUNTING POLICIES

3.1 PROPERTY, PLANT AND EQUIPMENT

- a) All categories of property, plant and equipment are initially recognised at cost. Cost includes expenditure directly attributable to the acquisition of the assets. Computer software, including the operating system, that is an integral part of the related hardware is capitalised as part of the computer equipment. Property, plant and equipment are subsequently carried at cost less accumulated depreciation and accumulated impairment losses if any. When significant parts of property, plant and equipments are required to be replaced at intervals, the company recognises the new part with its own associated useful life and it is depreciated accordingly.
- b) Subsequent costs are included in the asset's carrying amount or recognised as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the company and the cost of the item can be measured reliably. Repairs and maintenance expenses are charged to the profit and loss account in the year in which they are incurred.
- c) Cost of asset(s) replaced but still usable is not reduced from the cost of the asset(s) till it is sold / discarded. If the cost of the asset(s), discarded / sold is not ascertainable, cost of replacement of such asset(s), (discounted as per "indexed cost formula" prescribed under Income Tax Act, 1961) is taken as the cost of such asset(s) for the purpose of deduction from the cost.
- d) Depreciation on tangible assets is provided on straight-line method over the useful life of assets in the manner and at the rate specified in Part C of Schedule II of Companies Act, 2013 from the date the Schedule II came into effect. A residual value of 5% (as prescribed in Schedule II of the Act) of the cost of the asset is used for the purpose of calculating the depreciation charge.

3.2 INTANGIBLE ASSETS

Accounting treatment of intangible assets is in accordance with IND AS-38. Intangible Assets are depreciated on straight line method over the useful life thereof.

3.3 IMPAIRMENT OF NON FINANCIAL ASSETS

The carrying amounts of the asset(s) are reviewed at each balance sheet date to assess whether these were recorded at their recoverable value, and, where carrying amounts exceed the recoverable value, the assets are written down to their recoverable value.

3.4 INVESTMENT IN SUBSIDIARY, JOINT VENTURE

Investment in subsidiary/joint venture is carried out at cost. The cost comprises price paid to acquire investment and directly attributable cost.

- b) Transactions in foreign currencies during the year are converted into the functional currency using the exchange rate prevailing at the transaction date. Monetary assets and liabilities at the balance sheet date denominated in foreign currencies are translated into the functional currency using the exchange rate prevailing as at that date. The resulting foreign exchange gains and losses from the settlement of such transactions and from year-end translation are recognised on a net basis in other items of comprehensive

income or the profit and loss account respectively in the year in which they arise.
