### 4. Covid-19 pandemic outbreak - Impact on Hospitality Sector

The COVID-19 pandemic has out broken worldwide in the month of December, 2019 and has disordered Economies and Business at a global scale. In India, the pandemic has affected multiple sectors and has had the most significant impact on the Services and Manufacturing sectors.

As mandated by the guidelines issued by the Central Government / Local State Government, the Hospitality sector was instructed to shut down their operations w.e.f 25th March, 2020. As a direct consequence of this regulation, our hotel in New Delhi has shut down its operations since 25th March 2020. Due to various Government Orders, we cannot operate the Hotel till August, 2020. We could only operate the Hotel after August 2020. During these periods, our Hotel was not in operation and we were suffering from an acute shortage of cash flow and are unable to pay the salaries from the month of April 2020 onwards, payments of Utilities (Electricity, Gas and Water Charges) as well as statutory liabilities, GST and other expenses. The revenue for the Financial Year 2020-21 has been severely affected and the Company was pushed into financial crisis.

To further aggravate the situation, the Government has indentified the second wave of Covid-19 in the month of April, 2021. The Government of NCT of Delhi has imposed the Night-Curfew on 06.04.2021 from 10PM to 05PM till 30.04.2021 or further orders whichever is earlier. Thus, it has very seriously affected the Hotel operations.

Further the hotel was linked to a Private Hospital for converting the hotel into extended Covid Hospital w.e.f. 14.04.2021 by the Order of Government of NCT of Delhi. By various orders by NCT of Delhi/DDMA, the curfew has been extended till 07.06.2021 (Till 05:00 AM). In fact our Hotel has to shut down there were no guest arrival during these periods. Thus, the operation of the Hotel comes to a standstill and no revenue has been generated from the Hotel operation during this period. It seems that it will take another six to nine months time for coming out of this Covid pandemic scenario. The returning of the normalcy of the hotel operation will take another one-year.

Despite all odds your organization is strong enough to revive and overcome this crisis.

**MANAGEMENT DISCUSSIONS AND ANALYSIS  
MACROECONOMIC OVERVIEW / GLOBAL ECONOMY**

The Financial Year 2020-2021 witnessed the economic and social disruption caused by the outbreak of COVID-19 pandemic across the world. A large number of people lost their livelihoods and business enterprises facing an existential threat. Left with no other options, in the initial phase of the pandemic, Government across the world imposed countryside lockdown which restricted movement of people and many countries closing their boundaries to arrest the spread of pandemic. By end of this year 2021, about 100 million people are expected to have fallen back into extreme poverty. These adverse impacts have been felt hardest by the most vulnerable groups – women, children and unskilled and informal workers.

The pandemic severely impacted the travel and tourism globally which suffered a loss of almost USD 4.5 trillion. Domestic visitor spend decreased by 45% while international visitor spend decreased by 69.4% compared to 2019-20 (Source: World Travel & Tourism Council, Economic Impact Reports 2020). The first wave of the pandemic is estimated to cause a loss of 61.6 million jobs globally with a threat of higher losses. The existing fiscal support and policy initiatives launched by various governments are withdrawn before the recovery starts. New variants of the COVID-19 virus and a surge in diagnosed cases in large developing economies and resistance to vaccinations among some populations in developed economies raise questions about the speed and strength of an economic recovery over the near term. A resurgence of infectious cases in Europe, Russia, the United States, Japan, Brazil, India, and across much of Africa has renewed calls for lockdowns and curfews and threatens to weaken or delay a potential sustained economic recovery into mid to late 2021. The economic fallout from the pandemic has affected certain industrial sectors of the economy and certain population groups disparately and could risk continued labor dislocations as a result of lingering high levels of unemployment not experienced since the Great Depression of the 1930s. In some cases, workers are reconsidering their career choices and work patterns, which may imply a post-pandemic economy marked by more varied labor arrangements and an altered urban environment.

**Indian Economy**

India's Gross Domestic Product (GDP) contracted 7.3% in 2020-21, as per provisional National Income estimates released by the National Statistical Office. GDP growth in 2019-20, prior to the COVID-19 pandemic, was 4%. The fourth quarter of 2020-21 recorded a growth of 1.6% in GDP, after the country had entered a technical recession in the first half of the year. The Gross Value Added (GVA) recorded 3.7% growth in Q4, compared to 1% in Q3. GVA had contracted 22.4% and 7.3% in the first and second quarters of 2020-21 respectively. GVA from Trade, Hotels, Transport, Communication and Broadcasting-related services recorded the sharpest decline of 18.2%, followed by Construction (-8.6%), Mining and quarrying (-8.5%) and Manufacturing (-7.2%) (Source: National Statistical Office)

Even as there is significant uncertainty around the duration and intensity of the pandemic, and its impact on India's economic performance in 2020-21, there are a few bright spots. Agriculture and allied activities continue to be resilient and a normal south west monsoon is expected in 2021, which augurs well for rural demand. At the same time, inflationary pressures are likely to be in check with collapse in crude prices and softening of food prices, allowing room for further fiscal and monetary policy interventions.

**Business Performance / Opportunities**

While the fight against the COVID-19 pandemic is not yet won, with a vaccine in sight, there is at least a faint light at the end of the tunnel. Barring any unexpected catastrophes, individuals, businesses, and society can start to look forward to shaping their futures rather than just grinding through the present. The next normal is going to be different. It will not mean going back to the conditions that prevailed in 2019. Indeed, just as the terms "prewar" and "postwar" are commonly used to describe the 20th century, generations to come will likely discuss the pre-COVID-19 and post-COVID-19 eras.

This year is likely to be another full of major transitions. Year 2021-22 is even much more challenging as compared to the previous year from a macroeconomic standpoint. Not only did economic growth decelerate as the year progressed, social and economic concerns added to the policy uncertainty, dampening sentiment and arresting modest gains towards economic revival over the past few years. From the Hospitality and Service Industry's perspective, even as this affected the broad-based demand, there are opportunities across markets and service based product segments. This focus would be reflected in our performance in the coming years.

The COVID-19 pandemic has out broken worldwide in the month of December, 2019 and has disordered Economies and Business at a global scale. In India, the pandemic has affected multiple sectors and has had the most significant impact on the Services and Manufacturing sectors.

As mandated by the guidelines issued by the Central Government / Local State Government, the Hospitality sector was instructed to shut down their operations w.e.f 25th March, 2020. As a direct consequence of this regulation, our hotel in New Delhi has shut down its operations since 25th March 2020. Due to various Government Orders, we cannot operate the Hotel till August, 2020. We could only operate the Hotel after August 2020. During these periods, our Hotel was not in operation and we were suffering from an acute shortage of cash flow and are unable to pay the salaries from the month of April 2020 onwards, payments of Utilities (Electricity, Gas and Water Charges) as well as statutory liabilities, GST and other expenses. The revenue for the Financial Year 2020-21 has been severely affected and the Company was pushed into financial crisis.

To further aggravate the situation, the Government has indentified the second wave of Covid-19 in the month of April, 2021. The Government of NCT of Delhi has imposed the Night-Curfew on 06.04.2021 from 10PM to 05PM till 30.04.2021 or further orders whichever is earlier. Thus, it has very seriously affected our Hotel operations.

Further our hotel was linked to a Private Hospital for converting the hotel into extended Covid Hospital w.e.f. 14.04.2021 by the Order of Government of NCT of Delhi. By various orders by NCT of Delhi/DDMA, the curfew has been extended till 07.06.2021 (Till 05:00 AM). In fact our Hotel has to shut down there were no guest arrival during these periods. Thus, the operation of the Hotel comes to a standstill and we cannot generate any revenue from the Hotel operations.

Further, the company is not covered under section 135(1) of the companies Act, 2013. However pursuant to Rule 3 (2) of companies (Corporate Social responsibility Policy) Rules, 2014, every company which ceases to be a company covered under section 135(1) of the Act for three consecutive financial years shall not be required to comply the provisions of sub-section (2) to (5) of the said section.

Hence, the company is covered under section 135(1) and accordingly the CSR amount for Financial Year 2020-2021. However, for the Financial Year 2019-2020, the unspent CSR amount was Rs. 14.50Lacs which are being spent in the Financial Year 2021-2022.

## **INDEPENDENT AUDITOR'S REPORT**

**To the Members of CHL LIMITED**

**Report on the audit of the Standalone Financial Statements**

### **Opinion**

We have audited the accompanying Standalone Financial Statements of CHL LIMITED ("the company"), which comprise the Balance Sheet as at 31 March 2021, the Statement of Profit and Loss, including the Statement of other Comprehensive Income, the Cash Flow Statement and the Statement of Changes in Equity for the year then ended, and a summary of significant accounting policies and other explanatory information (hereinafter referred to as "Standalone Financial Statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India including Indian Accounting Standards (Ind AS) specified under section 133 of the Act, of the state of affairs of the Company as at March 31, 2021, and its loss (including other comprehensive income), changes in equity and its cash flows for the year ended on that date.

### **Basis for Opinion**

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Companies Act, 2013 and the Rules there under, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

### **Emphasis of Matter**

We draw your attention to Note No. 41 to the financial statements, which explain the uncertainties and management's assessment of the financial impact due to disruptions arising from COVID-19 pandemic situation. The company has assessed potential impact of COVID-19 on the carrying value of trade receivable, and assets including (Non-current and current) appearing in financial statements of the company. In developing assumptions and estimates relating to future uncertainties in the economic conditions because of this pandemic, the company as at the date of approval of these financial statements has used internal and external sources of information and based on current estimates, expects to recover the carrying amounts of these assets. The impact of the pandemic may be different from that estimated as at the date of approval of these financial statements and the company will continue to closely monitor any material changes to future economic condition. Our opinion is not modified in respect of this matter.

### **Key Audit Matters**

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

### **Management's Responsibility for the Standalone Financial Statements**

The Company's Board of Directors is responsible for the matters in section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance including other comprehensive income and cash flows and change in equity of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) specified under Section 133 of the Act, read with Companies (Indian Accounting Standards) Rules, 2015, as amended. This responsibility also includes the maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting the frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Standalone Financial Statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The boards of directors are also responsible for overseeing the Company's financial reporting process.

### **Auditor's Responsibilities for the audit of the standalone financial statements**

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards. From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

**ANNEXURE- B to the Independent Auditor's Report on the Standalone Financial Statements of CHL LIMITED for the year ended 31st March, 2021.**

**Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")**

We have audited the internal financial controls over financial reporting of C H L Limited ("the Company") as of 31 March 2021 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

**Management's Responsibility for Internal Financial Controls**

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

**Auditors' Responsibility**

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

**Meaning of Internal Financial Controls Over Financial Reporting**

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

**Inherent Limitations of Internal Financial Controls Over Financial Reporting**

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

**Opinion**

In our opinion, to the best of our information and according to the explanations given to us, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31 March 2021, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

## NOTES TO THE FINANCIAL STATEMENTS

### 1. CORPORATE INFORMATION

CHL Limited ("the Company") is a public limited company domiciled in India and is listed on Bombay Stock Exchange (BSE). The Company is operating a Five Star Deluxe Hotel since 1982, presently named as "The Surya" in New Delhi.

### 2. BASIS OF PREPARATION

- (a) The financial statements are prepared on a historical cost basis except certain financial assets and liabilities which have been measured at fair value, defined benefit plans and contingent consideration. Historical cost is generally based on the fair value of consideration in exchange of goods and services.
- (b) The preparation of these financial statements in conformity with the recognition and measurement principle of Ind AS requires management to make judgement, estimates and assumption that affect the reported balances of assets and liabilities as at the date of financial statement.
- (c) The financial statements comprise a profit and loss account (income statement), statement of comprehensive income, balance sheet (statement of financial position), statement of changes in equity, statement of cash flows, and notes. Income and expenses, excluding the components of other comprehensive income, are recognised in the profit and loss account. Other comprehensive income is recognised in the statement of comprehensive income and comprises items of income and expense, that are not recognised in the profit and loss account as required or permitted by Ind AS.
- (d) The preparation of financial statements in conformity with Indian Accounting Standards requires the use of estimates and assumptions. It also requires management to exercise its judgement in the process of applying the accounting policies adopted by the company. Although such estimates and assumptions are based on the directors' best knowledge of the information available, actual results may differ from those estimates. The judgements and estimates are reviewed at the end of each reporting period, and any revisions to such estimates are recognised in the year in which the revision is made.

### 3. SIGNIFICANT ACCOUNTING POLICIES

#### 3.1 PROPERTY, PLANT AND EQUIPMENT

- (a) All categories of property, plant and equipment are initially recognised at cost. Cost includes expenditure directly attributable to the acquisition of the assets. Computer software, including the operating system, that is an integral part of the related hardware is capitalised as part of the computer equipment. Property, plant and equipment are subsequently carried at cost less accumulated depreciation and accumulated impairment losses if any. When significant parts of property, plant and equipments are required to be replaced at intervals, the company recognises the new part with its own associated useful life and it is depreciated accordingly.
- (b) Subsequent costs are included in the asset's carrying amount or recognised as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the company and the cost of the item can be measured reliably. Repairs and maintenance expenses are charged to the profit and loss account in the year in which they are incurred.
- (c) Cost of asset(s) replaced but still usable is not reduced from the cost of the asset(s) till it is sold / discarded. If the cost of the asset(s), discarded / sold is not ascertainable, cost of replacement of such asset(s), (discounted as per "indexed cost formula" prescribed under Income Tax Act, 1961) is taken as the cost of such asset(s) for the purpose of deduction from the cost.
- (d) Depreciation on tangible assets is provided on straight-line method over the useful life of assets in the manner and at the rate specified in Part C of Schedule II of Companies Act, 2013 from the date the Schedule II came into effect. A residual value of 5% (as prescribed in Schedule II of the Act) of the cost of the asset is used for the purpose of calculating the depreciation charge.

#### 3.2 INTANGIBLE ASSETS

Accounting treatment of intangible assets is in accordance with IND AS-38. Intangible Assets are depreciated on straight line method over the useful life thereof.

#### 3.3 IMPAIRMENT OF NON FINANCIAL ASSETS

- (b) Transactions in foreign currencies during the year are converted into the functional currency using the exchange rate prevailing at the transaction date. Monetary assets and liabilities at the balance sheet date denominated in foreign currencies are translated into the functional currency using the exchange rate prevailing as at that date. The resulting foreign exchange gains and losses from the settlement of such transactions and from year-end translation are recognised on a net basis in other items of comprehensive income or the profit and loss account respectively in the year in which they arise.

#### 41. Impact of COVID-19 on Business Operations

The COVID-19 pandemic had out broken worldwide in the month of December, 2019 and has disordered Economies and Business at a global scale. In India, the pandemic has affected multiple sectors and has had the most significant impact on the Services and Manufacturing sectors.

As mandated by the guidelines issued by the Central Government / Local State Government, the Hospitality sector was instructed to shut down their operations w.e.f 25th March, 2020. As a direct consequence of this regulation, our hotel in New Delhi had to shut down its operations since 25th March 2020. Due to various Government Orders, Hotel could not be operated till August, 2020. The revenue for the Financial Year 2020-21 has been severely affected and the Company was pushed into financial crisis.

To further aggravate the situation, the Government has indentified the second wave of Covid-19 in the month of April, 2021. The Government of NCT of Delhi had imposed the Night-Curfew and other restrictions from 06.04.2021 onwards. Thus, it has seriously affected the Hotel operations in the current year also.

Further, the hotel was linked to a Private Hospital for converting the hotel into extended Covid Hospital w.e.f. 14.04.2021 by the Order of Government of NCT of Delhi. By various orders by NCT of Delhi/DDMA, the curfew has been extended till 07.06.2021 (Till 05:00 AM). In fact our Hotel has to shut down there were no guest arrival during these periods. It seems that it will take another six to nine month time for coming out of this Covid pandemic scenario.

The Management has assessed the potential impact of COVID-19 on the carrying value of property, plant & equipment, right of use assets, intangible assets, investment property, investments, trade receivables, inventories, and other current assets appearing in the financial statements of the Company as on 31st March, 2021 and has performed sensitivity analysis on the assumptions used and based on current indicators of future economic conditions, expects to recover the carrying amounts of these assets. The impact of COVID-19 may be different from that estimated on the date of approval of these financial statements and the Management will continue to closely monitor any material changes to future economic conditions and taking suitable steps to remain in market.

## **To the Members of CHL LIMITED**

### **Report on the audit of the Consolidated Financial Statements**

#### **Opinion**

We have audited the accompanying Consolidated Financial Statements of CHL LIMITED ("the company"), which comprise the consolidated Balance Sheet as at 31 March 2021, the consolidated Statement of Profit and Loss, including the Statement of other Comprehensive Income, the consolidated Cash Flow Statement and the consolidated Statement of Changes in Equity for the year then ended, and a summary of significant accounting policies and other explanatory information (hereinafter referred to as "Consolidated Financial Statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid Consolidated financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India including Indian Accounting Standards (Ind AS) specified under section 133 of the Act, of their consolidated state of affairs of the Company as at March 31, 2021, and the consolidated loss, consolidated changes in equity and its consolidated cash flows for the year ended on that date.

#### **Basis for Opinion**

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Consolidated Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the consolidated financial statements under the provisions of the Companies Act, 2013 and the Rules there under, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

#### **Emphasis of Matter**

We draw your attention to Note No. 39 to the financial statements, which explain the uncertainties and management's assessment of the financial impact due to disruptions arising from COVID-19 pandemic situation. The company has assessed potential impact of COVID-19 on the carrying value of trade receivable, and assets including (Non-current and current) appearing in financial statements of the company. In developing assumptions and estimates relating to future uncertainties in the economic conditions because of this pandemic, the company as at the date of approval of these financial statements has used internal and external sources of information and based on current estimates, expects to recover the carrying amounts of these assets. The impact of the pandemic may be different from that estimated as at the date of approval of these financial statements and the company will continue to closely monitor any material changes to future economic condition. Our opinion is not modified in respect of this matter.

#### **Key Audit Matters**

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the consolidated financial statements of the current period. These matters were addressed in the context of our audit of the consolidated financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

#### **Management's Responsibility for the Consolidated Financial Statements**

The Holding Company's Board of Directors is responsible for the matters in section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these Consolidated financial statements that give a true and fair view of the financial position, financial performance including other comprehensive income and cash flows and change in equity of the Company in accordance with the accounting principles generally accepted in India, including the India Accounting Standards (Ind AS) specified under Section 133 of the Act, read with Companies (Indian Accounting Standards) Rules, 2015, as amended. This responsibility also includes the maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting the frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Consolidated Financial Statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the consolidated financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The boards of directors are also responsible for overseeing the Company's financial reporting process.

#### **Auditor's Responsibilities for the audit of the Consolidated Financial Statements**

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.

- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the consolidated financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the consolidated financial statements, including the disclosures, and whether the consolidated financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance of the Holding Company and such other entities included in the consolidated financial statements of which we are the independent auditors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the consolidated financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

#### **Other Matters**

We did not audit the financial statements of a subsidiary whose financial statements as on March 31, 2021 reflect total assets of Rs. 40472.02 Lac and total deficit of Rs. 2431.40 Lac for the year ended on that date. These financial statements and other financial information have been audited by other auditor whose report has been furnished to us and our opinion is based solely on the report of the other auditor. Our opinion is not modified in respect of these matters.

#### **Report on other Legal and Regulatory Requirements**

1. As required by section 143(3) of the Act, we report that:
  - (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
  - (b) In our opinion proper books of account as required by law have been kept by the Company so far as appears from our examination of those books
  - (c) The Consolidated Balance Sheet and the Consolidated Statement of Profit and Loss (including other comprehensive income), the Consolidated Cash Flow Statement and the Consolidated Statement of Changes in Equity dealt with by this Report are in agreement with the books of account.

**NOTES TO THE FINANCIAL STATEMENTS****1. CORPORATE INFORMATION**

CHL Limited (the Company) is a public limited company domiciled in India and is listed on Bombay Stock Exchange (BSE). The Company is operating a Five Star Deluxe Hotel since 1982, presently named as "The Suryaa" in New Delhi.

**2. BASIS OF PREPARATION**

- (a) The financial statements are prepared on a historical cost basis except certain financial assets and liabilities which have been measured at fair value, defined benefit plans and contingent consideration. Historical cost is generally based on the fair value of consideration in exchange of goods and services.
- (b) The preparation of these financial statements in conformity with the recognition and measurement principle of Ind AS requires management to make judgement, estimates and assumption that affect the reported balances of assets and liabilities as at the date of financial statement.
- (c) The financial statements comprise a profit and loss account (income statement), statement of comprehensive income, balance sheet (statement of financial position), statement of changes in equity, statement of cash flows, and notes. Income and expenses, excluding the components of other comprehensive income, are recognised in the profit and loss account. Other comprehensive income is recognised in the statement of comprehensive income and comprises items of income and expense, that are not recognised in the profit and loss account as required or permitted by Ind AS.
- (d) The preparation of financial statements in conformity with Indian Accounting Standards requires the use of estimates and assumptions. It also requires management to exercise its judgement in the process of applying the accounting policies adopted by the company. Although such estimates and assumptions are based on the directors' best knowledge of the information available, actual results may differ from those estimates. The judgements and estimates are reviewed at the end of each reporting period, and any revisions to such estimates are recognised in the year in which the revision is made.

**3. SIGNIFICANT ACCOUNTING POLICIES****3.1 PROPERTY, PLANT AND EQUIPMENT**

- (a) All categories of property, plant and equipment are initially recognised at cost. Cost includes expenditure directly attributable to the acquisition of the assets. Computer software, including the operating system, that is an integral part of the related hardware is capitalised as part of the computer equipment. Property, plant and equipment are subsequently carried at cost less accumulated depreciation and accumulated impairment losses if any. When significant parts of property, plant and equipments are required to be replaced at intervals, the company recognises the new part with its own associated useful life and it is depreciated accordingly.
- (b) Subsequent costs are included in the asset's carrying amount or recognised as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the company and the cost of the item can be measured reliably. Repairs and maintenance expenses are charged to the profit and loss account in the year in which they are incurred.
- (c) Cost of asset(s) replaced but still usable is not reduced from the cost of the asset(s) till it is sold / discarded. If the cost of the asset(s), discarded / sold is not ascertainable, cost of replacement of such asset(s), (discounted as per "indexed cost formula" prescribed under Income Tax Act, 1961) is taken as the cost of such asset(s) for the purpose of deduction from the cost.
- (d) Depreciation on tangible assets is provided on straight-line method over the useful life of assets in the manner and at the rate specified in Part C of Schedule II of Companies Act, 2013 from the date the Schedule II came into effect. A residual value of 5% (as prescribed in Schedule II of the Act) of the cost of the asset is used for the purpose of calculating the depreciation charge.

Accounting treatment of intangible assets is in accordance with IND AS-38. Intangible Assets are depreciated on straight line method over the useful life thereof.

Monetary assets and liabilities at the balance sheet date denominated in foreign currencies are translated into the functional currency using the exchange rate prevailing as at that date. **39. Impact of COVID-19 on Business Operations**

The COVID-19 pandemic had out broken worldwide in the month of December, 2019 and has disordered Economies and Business at a global scale. In India, the pandemic has affected multiple sectors and has had the most significant impact on the Services and Manufacturing sectors.

As mandated by the guidelines issued by the Central Government / Local State Government, the Hospitality sector was instructed to shut down their operations w.e.f 25th March, 2020. As a direct consequence of this regulation, our hotel in New Delhi had to shut down its operations since 25th March 2020. Due to various Government Orders, Hotel could not be operated till August, 2020. The revenue for the Financial Year 2020-21 has been severely affected and the Company was pushed into financial crisis.

To further aggravate the situation, the Government has identified the second wave of Covid-19 in the month of April, 2021. The Government of NCT of Delhi had imposed the Night-Curfew and other restrictions from 06.04.2021 onwards. Thus, it has seriously affected the Hotel operations in the current year also.

Further, the hotel was linked to a Private Hospital for converting the hotel into extended Covid Hospital w.e.f. 14.04.2021 by the Order of Government of NCT of Delhi. By various orders by NCT of Delhi/DDMA, the curfew has been extended till 07.06.2021 (Till 05:00 AM). In fact our Hotel has to shut down there were no guest arrival during these periods. It seems that it will take another six to nine month time for coming out of this Covid pandemic scenario.

The Management has assessed the potential impact of COVID-19 on the carrying value of property, plant & equipment, right of use assets, intangible assets, investment property, investments, trade receivables, inventories, and other current assets appearing in the financial statements of the Company as on 31st March, 2021 and has performed sensitivity analysis on the assumptions used and based on current indicators of future economic conditions, expects to recover the carrying amounts of these assets.
